

Luke 18.1-8

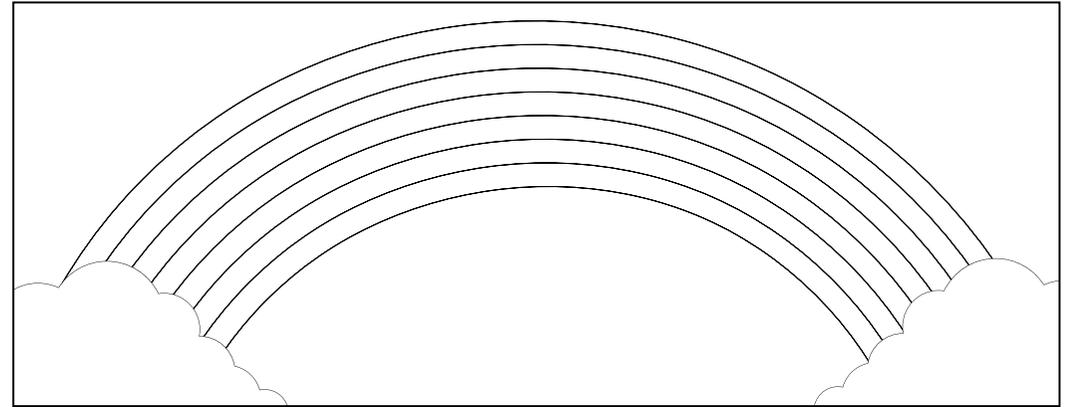

Jesus tells a story to encourage us to keep asking God for what we need.

When you've coloured in this doodle, put it up at home to remind you to keep on praying.

As you colour in this rainbow, let the colours guide your prayer. As you colour the **red**: thank God for something. **Orange**: say sorry for something. **Yellow**: pray for your family. **Green**: pray for the world. **Light blue**: pray for school. **Dark blue**: pray for friends. **Purple**: pray for something you need.
