Luke 21:5-19

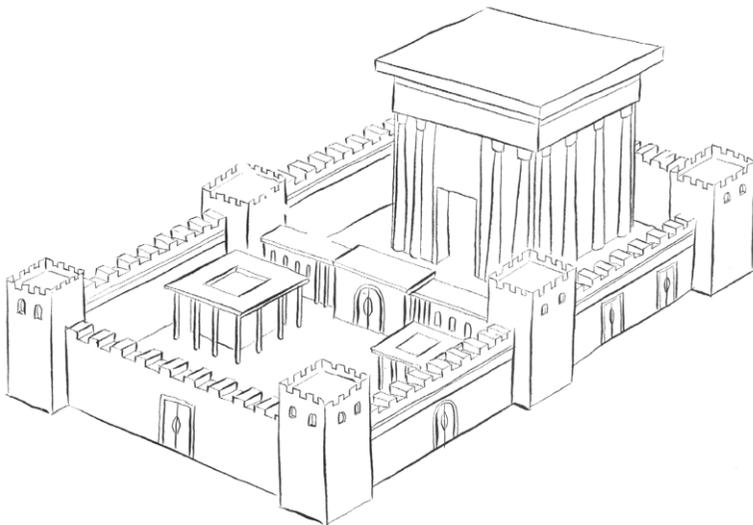

The world is about to change for Jesus' followers, he tells them that, no matter what happens, he will give them the words to say, they won't be harmed and will be rewarded in heaven.

The Temple was beautiful, but Jesus said it would be broken apart.

Make the temple look beautiful with your drawing and colouring.

Solve the word search to find the letters left over which reveal a hidden message. Some words are used more than once.
